## PROFILE

I come from an accounting background but am now passionately transitioning to tech. With guidance from a mentor, I've been self-teaching web development, finding real enjoyment in building projects and solving problems. I am eager to join a team where I can contribute, continue learning, and grow as a developer.

---

## SKILLS

HTML, CSS, Tailwind, Typescript, React, Node.js, Next.js, Prisma, Cypress, Git

---

## CERTIFICATES

### Responsive Web Design - freecodecamp

- Gained hands-on experience in HTML, CSS, Flexbox, Grid, and responsive layout techniques.
- 

## PROJECTS

*Note: These projects were built without AI. My priority was hands-on learning of the technology.*

### Portfolio Website [Live](#) | [Github](#)

React, Typescript, Tailwind

- Designed and deployed a responsive portfolio site to showcase projects and skills

### Noclegi (Accommodation) [Live](#) | [Github](#) React, Typescript, Node.js, Express.js, i18next, Tailwind

- Built and designed a web page for a short-term rental company based in Poland.
- Automatically syncs Booking and Airbnb dates to a contact's calendar.

### Endo App [Live](#) | [Github](#)

React, Node.js, Express.js, MySQL, OpenAI, Tailwind

- A health-focused application designed to help individuals with endometriosis determine if specific foods are healthy and suitable for their condition by using AI image analysis
- Uses OpenAI to analyze the image and provide feedback on the food's suitability.

### WatchMate [Live](#) | [Github](#)

Next.js, Prisma, Tailwind

- A responsive web application that helps users track and organize their favorite movies and TV series, with features to mark content as "Watched" or "Want to Watch".

### Cypress [Github](#)

Javascript, Cypress

- Implemented end-to-end testing using Cypress on a data analysis application, ensuring robust functionality across various user scenarios.

### ChatterBox [Live](#) | [Github](#)

React

- An accessible communication tool developed for children with disabilities, enabling interaction through customizable buttons and audio sounds.

---

## EDUCATION

Curtin University Malaysia

2013 - 2016

### Bachelor of Accounting & Entrepreneurship

---

## WORK EXPERIENCE

### Account Executive
